Connecting Your World...Through Ours!

JT Communications is now Colo Atl

“Our new brand is an important step in our evolution into a premier company and signifies a commitment to our current and potential customers. The name ‘Colo Atl’ reflects our no-nonsense approach to provide colocation, data center & interconnection services in Atlanta, Georgia. We have exceptional customer support and affordable rates, which are very important factors in deciding where to locate your telecom or enterprise facilities. At Colo Atl, you will receive personal attention from me, the owner, and my staff.”

Tim Kiser, Founder & Owner of Colo Atl

Connecting Your World...Through Ours!
